Loop Line Tracing Worksheet

Trace each dotted Loop line from the green dot to the red dot.

Edunestly.com

This worksheet features a central white rectangular area with a light green border. At the top left and bottom right corners of this area are decorative green leaves. The main content consists of seven rows of tracing exercises. Each row begins with a green dot on the left and ends with a red dot on the right. The first row shows a single dotted line forming a series of four loops. The subsequent six rows each show a dotted line forming a series of eight loops. The text 'Loop Line Tracing Worksheet' is centered in a bold black font, with the instruction 'Trace each dotted Loop line from the green dot to the red dot.' below it. The website name 'Edunestly.com' is printed at the bottom center of the worksheet area.
