

Maze Line Tracing Worksheet

Trace each dotted Maze line from the green dot to the red dot.

Tracing practice area containing eight rows of dotted maze lines. Each row starts with a green dot on the left and ends with a red dot on the right. The maze pattern consists of a series of connected 'U' and inverted 'U' shapes. The rows are arranged vertically, with the first row at the top and the eighth row at the bottom. The maze lines are dotted, and the starting and ending dots are solid.
