

Scheda di tracciato di linee Curva

Traccia ogni linea Curva puntinata dal punto verde al punto rosso.

ESEMPIO

The example section is enclosed in a dashed green border. It features a lion on the left and a toucan on the right. A dotted curved line starts at a green dot on the left and ends at a red dot on the right.

Seven rows of dotted curved lines for tracing practice. Each row starts with a green dot on the left and ends with a red dot on the right.
